I hope you have all had a lovely bank holiday. This week we say a big well done to our Hob Moor Primary year 6 friends for coping with their SATS, also a big thank you to Catkins, Oak Leaves, Woods and Oak Trees for managing very quiet transitions on our UKS2 corridor.

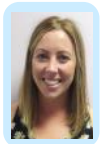

This week KS2 experienced a Planetarium visit in school, the children loved both the sensory elements of the session as well as asking lots of questions about day, night, stars and space. Thank you to Laura Moyse for organising this in-school educational visit.

Our second Lea Green visit has been a wonderful success! Magic moments include, all children experiencing the sky line and wheelchair abseil...in the rain and there was LOTS and LOTS of laughter! Thank you to the parents for trusting us and the dedicated staff who juggled family life to be there!

A little bit of personal news from me, some of you may have noticed that I am expecting a baby! I am working with the governors and the Trust to make arrangements for my maternity cover for when the time comes.

Wishing you all a lovely weekend, Olivia

Blossoms

This half term Blossoms have been working hard on their communication skills. We have started using PECS in our communication groups, and in our daily routines. Some of our favourite groups include music, what's in the box and playing ring games. We have also been practicing our Makaton signing within our daily routines and during our daily sing and sign sessions.

Hob Moor Oaks Heroes of the Week

Ruth M for going above and beyond to be a team player and support to our pupils. Your commitment is impressive!

Happy Birthday this week to:

Lorenzo & Ibrahim
