

Hob Moor Oaks

12TH SEPTEMBER 2025

Developing and embedding routines and building relationships

Our first full week and what a successful one it has been. Our classes have embedded daily routines and the engagement in learning is already so evident. Our new pupils have gained some positive role models in their peers, who have already established school routines, and have been transferring these to new classrooms, playgrounds and their new class teams.

There are already some positive relationships being built between pupils and the staff teams are working hard to build wonderful relationships with our pupils.

We also send our congratulations, love and best wishes to Ciaran, Twigs Class teacher, his wife and their two children, who welcomed his little girl Eleanor Rose last week. As you can see from the photo, Eleanor's big brother and sister are very proud!

Wishing you all a restful weekend.

Upcoming Events

Golden Leaf Assembly

Just a little update about our Golden Leaf Celebration assemblies. At the start of the new school year, we have a few weeks for children to settle back into their classroom and school routines, including assembly routines. On Monday, Classes will be sharing the Golden Leaf Assembly in their classrooms, and we will have our first whole school assembly on Monday 22nd September in the school hall. Over the following few weeks we will work towards settling into assembly routines, before we invite parents in to join us too.

Class information

I hope that you have all received your child's class timetable and autumn newsletter. I hope that you enjoy reading them and in preparation for the learning taking place this half term.
