5TH SEPTEMBER 2025

Welcome Back To School!

It has been wonderful to see so many smiling faces arriving into school since Wednesday as we started the new school year, even those children who arrived a little upset or anxious were quickly settled by the class teams with exciting resources in their classrooms.

This week we have welcomed 24 new pupils and families to our school community. We hope that you feel supported and welcomed, you will receive invitations over the next half term to our informal settling in meetings which will take place later this term.

Just a gentle reminder that we aim to be a nut free school, so would ask that nuts/nut related products are not sent into school in lunch boxes or snack items.

We hope that your children have had a happy and successful week back in school. Wishing you a restful weekend.

Tapestry Learning Journal

By the end of next week, class teachers will have shared your child's class timetable and Autumn term 1 newsletter with you via Tapestry. Please look out for these arriving, I hope you enjoy reading them.

Tapestry Care diary is our daily communication tool between home and school, including asking and responding to questions, giving general reminders, and a brief update about your child's day, including behaviours, golden moments, and subjects/activities covered. If you do not have a log in please email admin.hmo@ebor.academy

The new tapestry app and website will be coming later this year, we'll let you know when they go live as you will need to download a new version of the app!
