26TH SEPTEMBER 2025

It is hard to believe that we are now finishing our 4th week of the half term. Our new pupils are settling well into school and classroom routines, establishing behaviours for learning and sharing special moments with their peers and class team.

It is lovely to see the pupils who have transitioned to the Key Stage 2 playground exploring a different environment, fresh activities and meeting new, and old, friends. Along with our new pupils exploring and enjoying both the Key stage one and two playgrounds alongside their peers from their classroom and phase.

We have shared with parents of our Year 6 pupils a diary date for Tuesday 30th at 9am, for a Lea Green Presentation to share information about our residential visit which will take place later in the year. We look forward to seeing you there, and will share information with any parents and carers who are unable to attend.

Lavina from Wheelchair services has been in contact with us about the questions and queries which lots of families across the city have with the service as AJM HealthCare have now taken on the NHS contract. Lavinia will be in school on Tuesday 7th October between 9 and 10:30 for any parents to come to speak with her. This will be a drop in session.

Wishing you all a restful weekend.
