Welcome Back After Half Term!

We hope you all had a wonderful half-term break! It has been lovely to see the children return to school happy, refreshed, and ready for another exciting half term of learning and new experiences.

This half term, we are beginning our Preparation for Life educational visits. The children will be taking part in a range of visits and activities to support their learning about independence and safety in the community. These will include an onsite forest school experience for Orchard phase, A walk in the local community and a park visit for Woodland Phase and local café visit for Forest Phase pupils. These experiences will help the children develop confidence, practical life skills, and an understanding of how to stay safe and make good choices in different community settings.

We're also looking forward to supporting Children in Need this half term! Our classes will be taking part in the "25 Challenge" more details to follow as class teams share their ideas and how you can support.

Finally, Parents' Evening is fast approaching. A letter will be sent home soon with all the information you need. We can't wait to share the fantastic learning and achievements your children have made so far this year.

Best wishes,

Laura
Assistant Headteacher

Children in Need

Thursday 13th November is the day we will be celebrating Children in Need!
