

Hob Moor Oaks

21ST NOVEMBER 2025

The weather has certainly changed this week compared to the previous few weeks!

It has been lovely to see the children experiencing and exploring the snow while in school. It has been fantastic to see the hard work both pupils and class teams have been implementing around clothing and footwear for the weather. This includes using social stories and visual support. We know that lots of children may struggle with the change from summer to winter, but we also have a duty of care to ensure that children are wearing appropriate clothes. Please remember to make sure that children have spare clothes in school to change into should they get wet.

This week pupils in Woodland Phase have enjoyed their Preparation for Life visits to West Bank Park. Their visits included a journey to the park, then a walk around the park and woodland looking for animals on the ground and in the trees. Thank you to the parents who joined us on these visits.

Next week we look forward to welcoming you into school for Parents Evening on Tuesday and Wednesday and sharing their progress and learning this year so far.

Wishing you a restful weekend, Sarah.

Children in Need

We are over the moon to tell you that thanks to your generous donations, Hob Moor Federation managed to raise £459.19 for Children in Need!

Thank you so much for your support.

Congratulations Graduates!

Lisa
BA Primary Education
& College of Ripon and
York St John 50 year
Alumni Prize

Bonnie
PGCE
Primary
Education

Ellie
PGCE
Primary
Education

Molly
BA HONS
Primary
Education

This week 4/5 of our staff team have celebrated their hard work and achievements at their graduations. Lisa, Bonnie, Ellie and Molly all graduated in York Minster from York St John University on Tuesday, and Rachel graduated this morning with a BA HONS in Early Childhood Education, but we couldn't get her picture in time!

Congratulations on your hard work and achievements, we hope that you celebrating with your families and friends!
