

Hob Moor Oaks

16TH JANUARY

This week it has been lovely to see the new groups of children starting their physical development activities within the community.

On Tuesday, Oak Leaves went out to York University for cycling. This is a great opportunity for pupils to trial a range of bikes and equipment.

On Wednesday I joined Boughs and Roots class on their first visit of the school year to Energise for their swimming lessons. During the visit pupils used their visual task plans to support each part of the session, travelling, getting changed and swimming in the pool, followed by getting out of the pool, shower, drying and dressing before returning back to school.

It was great to see that pupils who have visited previously were able to model the transitions and learning for their peers, but also that pupils were able to use their independence skills when dressing and undressing which they have practiced in other activities in school such as previously using the hydro pool or weekly PE sessions in school!

Today Oak Trees have been ten pin bowling, this allows pupils not only to work on their physical skills, but also to work as a team, practice their number skills along with PSED opportunities for winning and losing.

We look forward to hearing all about these visits and to see the pupils' learning and skills develop over this half term.

Have a lovely weekend,

Sarah

Date	Event
Wed 21 st Jan	9am-11am HMO Parents Focus Group Becky Hairdresser Visit
Thu 22 nd Jan	Becky Hairdresser Visit
W/C 26 th Jan	Woodland Educational visits week
Tue 3 rd Feb	9:30am-11am The Toilet Journey part 1/4
W/C 2 nd Feb	Forest Phase educational visit week
W/C 8 th Feb	Orchard Phase educational visit week
Wed 11 th Feb	1:30-2:30pm EYFS Stay and play

This week you will have received some letters about our school moving over to Arbor for communications. The letters we have sent were via ParentHub, but we will also be sending you a link to register your Arbor account via email.

Please make sure you check your Spam/Junk email for this invitation link so that the move over can be as smooth as possible.

Thank you for your continued support through these changes.

Absences

If your child is not attending school, we must have the absence and the reason why **reported directly from parents/carers to the office**. We **cannot** accept a message passed on from transport.

To avoid admin staff having to call home, please make sure you are reporting your child's absence before school is due to begin in the morning.

Thank you
