

# Hob Moor Oaks

## 30TH JANUARY

On Wednesday our whole school team had a training session from Louise at OT4ME about sensory processing difficulties, tactile defenivements, leading into eating and how the senses and sensory impact of eating affects individuals.

We discussed and shared strategies which have been used successfully in school or by other professionals, and suggestions which could be tried within the classrooms. This created a link from our HMO Parents Focus Group - Introductory launch for ARFID focus group last week in school.

We are excited to be joining in with the NSPCC's number day on Friday 6th February, To celebrate we welcome your child to "Dress up for Digits" or wear pattern-themed non school uniform. Donations are welcome, and will be collected from your child's bag as they arrive.

Each phase team will be creating sensory stories from NSPCC maths inspired stories in preparation for the day, as part of our maths curriculum. These sensory stories will be shared in classes over Number Day. We look forward to seeing the activites and learning taking place next week.

Have a lovely weekend,

Sarah

Tuesday 10<sup>th</sup> February is Internet Safety Day and we will be inviting parents for an Internet Safety Workshop from 9am-10am. We will discuss current digital trends, age ratings, and how to have open conversations with your children about their online lives. A seperate letter with more details will follow.

Please confirm your attendance by phoning the school office or email the admin team on [admin.hmo@ebor.academy](mailto:admin.hmo@ebor.academy).

Hob Moor Community Primary are looking to recruit a dedicated Breakfast Club Assistant, this role is for 5 hours a week to be worked during the school term time. The hours are Monday - Friday, 7:45 - 8:45am.

To apply please go to
