

Hob Moor Oaks

20TH MARCH

There is still the buzz of excitement after our Woodland Phase's fantastic performances of "We're Going on an Egg Hunt!". It was a wonderful sensory performance of music, movement and communication.

The hall was filled with energy, laughter, as we journeyed through the story. It was truly a joy to see every child shine on stage. From the rabbits in Branches, chicks in Saplings, lambs in Roots, bees in Branches, ducks in Twigs and the wolves in Bark, through to our amazing narrators from Boughs and Twigs Class.

Thank you to all of our families for working with the class teams to create costumes, and to our amazing staff team who participate with such enthusiasm and make sure that pupils are not only well prepared for the performance, but also have their chance to shine on the day. Both performances were recorded, so we will share these with you as soon as possible.

We hope that our parents from Woodland Phase enjoyed the performance. Thank you for coming to share this performance, we would love to hear your feedback which can be shared via the care diary, or emailed to the school admin team on admin.hmo@ebor.academy.

Next week is parents evening, and our teachers are looking forward to meeting with parents to discuss your child's progress in school. Class teachers will have confirmed your booking via the care diary, and any virtual appointments will be sent in the form of a google meet link to the email address we hold on your contact information. If you have requested a virtual meeting, and have not received a link by Monday lunchtime, please contact your child's class teacher via the care diary or contact the school office.

Absences

Please make sure you report any child absences to the school office, and we will let the class team know. Please do not use tapestry for reporting absences, you only need to alert the office.

Equally, if your child continues to be off, you need to ring the office with updates for further days missed so we can keep their attendance updated.

The Trans Pennine Trail have put together a Kids' Easter Activity Pack, filled with fun nature-themed activities, crafts, recipes and puzzles for families to enjoy during the holiday. It's a great way to inspire children to get creative, explore the outdoors, and learn more about the outdoors and the Trail.

This activity pack inspires kids to discover spring wildlife, get creative, and enjoy the magic of the outdoors. There are opportunities to share their adventures and to earn a digital certificate.

They're perfect for use on the Trail, in your local park, or even indoors on a rainy day. Every pack is designed to help everyone learn, play, and make memories while exploring the outdoors.

The activity pack can be used 'on the go' by downloading from the link below.
