

Hob Moor Oaks

15TH MAY

The Forest Phase had a wonderful in-school Preparation for Life experience this week. On Thursday we had a Wonderdone in school.

This Wonderdome visit was linked to their learning this half term on the topic "light and dark". Forest Phase's Communication, Language and literacy work is all based around the Oliver Jefferson book "How to Catch a Star".

Pupils were able to experience the movement and travel of space inside the dome in the dark, with light projections which moved around the dome. We look forward to seeing the learning which pupils complete after this experience.

This half term Orchard phase have been taking local walks in the community, building up to a walk to the Library in Acomb.

It has been lovely to see and hear about pupils enjoying their times in the library and transferring their reading skills when sharing books in a new environment with familiar peers and staff.
