

Hob Moor Oaks

10TH JULY

Well, we certainly don't wind down at the end of the school year... Two Year 6 Leavers Celebrations and Forest Phase Production, a whole school visit to Piglets, and a Lea Green Celebration Assembly to end the week!

On Monday and Tuesday, we hosted our Year 6 Leavers Celebration for the twenty one pupils who will be moving on to secondary school this September. It is always such a special event to part of. It was wonderful to hear the memories, highlights, and achievements of each pupil shared by the staff members who have guided them throughout their time at HMO. One of these pupils joined the HMO family in Nursery with a further 3 joining in Reception, age four—meaning they truly have spent their entire school journey with us! We are immensely proud of the young people they have become. We look forward to sharing some photos of our wonderful Year 6 pupils from the celebration in our final newsletter next week.

After the celebrations of our Year 6 pupils, we hit a mid week high with our whole school visit to Piglets. What an amazing day it was for all of our pupils and staff! The children were able to experience a wide range of wonderful activities, from the beach and a tractor ride to animal encounters, the park, and a Story Craft Workshop.

Our pupils did a fantastic job navigating the structured timetable using visual supports, showing great resilience and flexibility when changes were needed. For some of our children, the absolute highlight of the day was simply travelling to Piglets on a coach—an exciting milestone and a brand-new experience for many of them.

We want to extend a massive thank you to all of the parents who joined us on the day, whether that was alongside your child's class team or supporting and watching from afar. There were so many special, magical moments captured and celebrated during and since the visit. If any parents would like copies of the visual resources and symbols we used during the trip to use at home, please let the school office or your child's class teacher know, and we will happily send them over to you.

A further big thank you goes to our dedicated staff team for their hard work both on the day and in the run-up to it, ensuring that pupils were fully prepared for the adventure. Finally, a huge well done and thank you to all of our pupils who joined us, making the entire day such a fantastic celebration.

Don't forget, on Monday we have the sports days for Orchard Phase and Wheelchair races, and on Tuesday is Woodland and Forest Phase Sports Day. Details of classes and times can be found overleaf.

Please note that we will be signing families into the event via the gates to the right of the main entrance, please make sure that you sign in and out of the event inline with our visitor procedures.

The gates will be closed during the events so if you arrive late, please enter via the main reception.
