

Hoboor Oaks

9TH
OCTOBER

Dear parents and carers,

Today's newsletter is all about 'Building Strong Partnerships Together'

At Hob Moor Oaks, our core values—I am me, I am safe, I am nurtured, I am curious, I am prepared, I belong—are at the heart of everything we do. We know that children make the progress, thrive emotionally, and gain the most independence when school and home work hand-in-hand.

To reflect and celebrate parent engagement this week, it has been wonderful connecting with so many of you:

- We welcomed 11 new families to our EYFS sessions in Team Little Acorns and Team Little Oaks—a fantastic foundation for building strong relationships!
- Our weekly celebration assembly welcomed 6 families who joined us to celebrate our pupils' unique achievements.
- We also hosted 7 annual reviews and wellbeing meetings to align our support for individual children.

We recognise that because we serve a wider area rather than a single local neighborhood, travel and busy schedules can make attending events challenging. We want to remove those barriers so every family feels supported:

- School Minibus Transport: We are looking into using our school minibus to help offer lifts to and from school events for families facing transport difficulties.
- Community Hub Sessions: We plan to bring events and fun activity sessions out into your local communities rather than always hosting them at school.
- Upcoming Workshops: On Tuesday 13th October NHS nurses are leading a Bowel & Bladder Workshop covering practical advice on toilet training and continence. Parents eligible have received an email - please let us know if you would like to attend!

We Need Your Voice! Whether it's starting our PTFA, dropping into a wellbeing coffee morning, or joining a workshop, your involvement directly enriches your child's school experience.

To help us get this right, please take 2 minutes to reply to this newsletter by sending an email to admin.hmo@ebor.academy to let us know:

1. What types of sessions or support would be most useful to you?
2. What days/times work best for your family?
3. What is currently your biggest barrier to attending school events?

Thank you for your ongoing support and partnership. Together, we can ensure every child reaches their full potential!

Warm regards,
Olivia

Please note the Harvest Festival letter sent to you from Ellen and Simon, our RE and diversity subject leads.
